NOTES

Boundaries shown are physical features on site and do not necessarily represent the legal extents of ownership.

This drawing and the information contained therein is issued in confidence and is the copyright of CSL Survey Group Ltd. Disclosure of this information to Third Parties without permission is forbidden as is copying or replication.

This survey is fitted to National Grid and Datum using GPS, and has been drawn at a scale factor of 1.0000.

Although this survey is tied to National Grid, due to the scale factor, any setting out or design works should strictly use the control co-ordinates contained within the table.

Station	Eastings	Northings	Level
CSL1	436554.362	443841.502	42.198
CSL2	436527.862	443847.202	43.659
CSL3	436544.050	443787.590	44.929
CSL4	436562.290	443728.690	46.151
CSL5	436558.597	443767.663	41.124
CSL6	436504.060	443810.643	41.817

Smaller tree spreads are not shown
